Dear Sir/Madam,

APPLICATION TO USE PROTON ALARM ANNUNCIATOR IN TNB TRANSMISSION SYSTEM

With reference to the above subject, we are pleased to inform you that we have completed our inspection and review on the above product and we can conclude that it compliance to TNB technical specification and suitable to be use in TNB Transmission Substation installation.

The evaluation is limited for the following model, version and applications:-

Manufacturer : Proton Power Control PVT. LTD.
Product : Proton Alarm Annunciator
Make/Type : PUNE -411027

Should have any problem and need further clarification, please do not hesitate to contact us in the Engineering Department.

Your kind attention and cooperation during the evaluation process is highly appreciated.
